Recommended Program Plan Example

*The following Program Plan example shows how you can plan your class schedule to meet all graduation requirements. **As a professional studies student, you will need to create your own program plan based on the certificates you have selected.***

You can use the example below to create your own program plan along with your degree progress audit and the academic catalog. The example below includes all General Education and Institute of Religion courses that are required to complete your degree program. We recommend taking about 2 courses or 4-6 credits per block so you can finish your bachelor's degree more quickly.

Advanced Path Additional Requirements

If you skip PathwayConnect, you must make up those 7 credits by completing GE 103: Online University Skills (1 credit) and additional elective credits (6 credits).
